Dear Choir organiser,

CSSM is a long-established Summer School providing first-class tuition and musicmaking for a wide variety of amateur musicians. Many of our students return annually and we're always delighted to welcome new faces from the UK and beyond.

We would be grateful if you forwarded this email to members of your choir who may be interested. Full information about the courses available and application forms can be found on our website:

www.cssm.org.uk

In return for your help in spreading the word, we are once more offering a double bonus scheme: for every one of your members who attends **CSSM** for the first time in 2017 we will give them a £50 discount, plus we will give your organisation £50. We hope that this way of spending our advertising budget will support amateur music directly, and certainly many students/ensembles have benefited from this offer in recent years.

We are also able to award three bursaries at the discretion of the Directors. If one of your members is a particularly promising/experienced singer, please email us on info@cssm.org.uk or call the Director 01286 673401 to discuss. We're very keen to enable participation whenever possible.

Looking forward to hearing from any of your musicians who would enjoy a week of friendly rehearsals, performances and concerts in idyllic surroundings.

Best wishes

Hannah Green
