Adjudicator's Remarks:

How lovely to see so many singers on stage
Who is Sylvia. A well blended opening. Sopranos - some
very clear singing - with a good tone. Tenors - a
pleasing sound but try to look up from your copies. I
enjoyed the way you pursued this lovely
setting. Some really crisp & well founded singing
Overall you are a very attentive choir

Benedictus. - A good opening basses & tenors The low
improved as you sang. Just be sure of your own
line particularly with so much going on in each part
From 75 - you really captured the rhythmic shape
& shape with confidence. Well done Solo Soprano

This is a challenging moment & you have captured
so much of Will Todd's setting.

This was quite a challenging
programme BUT you rose to the challenge
with plenty of energy & commitment

, thank you.
